Our tip how to save money:

1. Take advantage of our discount package 100%
 - Every month we draw from registered users one winner who gets 100% photographing discount!
 - Taking pictures will be for free and if you want, you can pay only a visagist and picture retouch
2. Bring your own visagist - you will save 1000,-
 - Or come together with your friend and share spending on visagist
3. If you discover a model for us, you get 10% discount for all provided services automatically.

All prices are orientation and without rate DPH 19%.

The final price including DPH 19% will be based on specific contract and according to intensity of whole project.
